Professional Experience

Voice Artist - Freelancer January 2022 - Present

Provided voice-over services for various clients including radio commercials, online advertisements, and corporate videos.

Collaborated with clients to understand their needs and deliver high-quality voice recordings. Utilized professional recording equipment and editing software to ensure clear and engaging audio.

Narrator - XYZ Audiobooks June 2020 - December 2021

Narrated several audiobooks across different genres including fiction, non-fiction, and educational materials.

Worked closely with authors and publishers to capture the right tone and style for each book. Received positive feedback from listeners for clear and expressive narration.

Radio Host - ABC FM January 2019 - May 2020

Hosted a daily morning show, engaging listeners with lively discussions, music, and interviews. Developed and scripted content for the show, ensuring a mix of entertainment and information.

Built a loyal audience and increased the show's ratings over time.
Voice Acting Coach - Voice Masters Academy July 2017 - December 2018

Conducted workshops and one-on-one coaching sessions for aspiring voice actors. Taught techniques for voice modulation, character development, and script interpretation. Helped students build confidence and improve their vocal skills.
